FEATURES AND BENEFITS

Save on fuel with discounted pricing.

The molecules in regular Synergy diesel have been specially designed to help clean vital parts of a car engine. When Esso tested it on everyday cars Synergy helped **improve fuel economy** by an average of 1.8%.

A growing network. Esso Card™ is now accepted at more than 1,200 BP sites giving you a total acceptance at over 3,360 fuelling sites in the UK.

Dedicated customer service from our UK based customer service team.

Report on fuelling behaviour using our **market-leading online fleet management platform** velocity. Order new cards, access invoices and run your account from one place, including online transaction authorisation and PIN protection.

Vehicle management. WEX Telematics provides you with the information to boost productivity reduce operating costs and improve driver safety.

Clubcard Points. Your drivers can collect Tesco Clubcard points on purchase of Petrol and Diesel at participating Esso branded service stations in the UK.

Points are issued on the basis of 1 (one) point for every £3 (three pounds) spent on fuel at Esso Tesco Express sites, or 1 (one) point for every 2 (two) litres of fuel purchased at other participating Esso sites.
